

Community, Gaming & Rewards

Celestial Falls Agripark

Play, Connect, and Win: A Gamified Getaway

At Celestial Falls Agripark, we believe that the spirit of adventure should be rewarded. We have reimagined the traditional camping experience by integrating interactive gaming and community challenges directly into your stay. Our unique programs are designed to foster connection among guests, encourage exploration of our diverse grounds, and add a layer of friendly competition to your vacation. Whether you are a solo traveler looking to meet new friends or a family ready to defend your loop's honor, there is a game waiting for you.

The Loop Passport Program

Unlock the full potential of Celestial Falls with our signature exploration program. The Loop Passport encourages guests to venture beyond their own campsite and discover the unique themes and experiences hidden within each of our six accommodation spokes.

- **Explore Unique Themes:** Your passport is your guide to our distinct neighborhoods. Collect stamps by visiting the *Wildflower Meadow Spoke*, engaging with the activities at *Adventure Ridge*, finding serenity in *Harvest Haven*, or stargazing at *Stargazer Grove*.
- **Earn Tangible Rewards:** Every stamp brings you closer to exclusive perks. Completed passports can be redeemed for valuable rewards, including free future stays, significant discounts on farm experiences, coupons for the restaurant, and limited-edition Celestial Falls merchandise.
- **Interactive Quests:** Each loop offers a mini-quest or challenge associated with its theme—from identifying native plants in *Mountain Heritage* to spotting specific wildlife in *Sunset Valley*—making the journey as rewarding as the destination.

Site & Loop Wars

Get ready for some spirited rivalry! Our "Wars" are friendly, organized competitions that pit neighbor against neighbor and loop against loop in a battle for bragging rights and prizes.

- **Site Wars - Best in Show:** Unleash your creativity by decorating your RV site, cabin, or tent pitch. Whether it is a seasonal theme, a holiday celebration, or just pure artistic expression, our judges award prizes for the most creative, most spirited, and most eco-friendly setups. Winners receive instant rewards like camp store credit and discount coupons.
- **Loop Wars - Community Challenges:** Join forces with your neighbors to compete against other loops. These team-based events range from scavenger hunts and tug-of-war tournaments to "spirit weeks" where loops compete for the highest participation in park activities.

- **The Grand Prize:** The winning loop isn't just awarded a trophy; they earn park-wide recognition and special group discounts for future bookings, fostering a lasting sense of community and teamwork.

The Main Hub Gaming Zone

When the structured competitions end, the fun continues at our central gathering space. The Main Hub is the heartbeat of social gaming at Celestial Falls.

- **Classic Lawn Games:** Challenge new friends to a match on our professional-grade Bocce Ball and Horseshoe courts, or enjoy a casual game of Corn Hole on the large grassy lawn.
- **Active Sports:** For those looking to break a sweat, our full-sized Volleyball and Basketball courts are always open for pickup games and organized tournaments.
- **Family Fun:** Test your putting skills on our Putt-Putt Golf course, a favorite for guests of all ages looking for a relaxing way to end the day.

At Celestial Falls, every stay is an opportunity to play. Join the game today!
